NOTES: The menu represents balanced nutrition meals required by USDA & Federal Department of Health for School children through the 8th Grade !!!! Some menu entrees contain the required vegetables and/or carbohydrates.

The menu represents full plate lunches and there are no a la carte options for these items for Pre K through 8th Grade!!

High School students can buy the plate lunch (a deal) or purchase some items a la carte. Those items will always include the main entrée, vegetable, and dessert. Other items may or may not be offered.

In addition High School students will be able to purchase snack items, hamburgers, cheeseburger, and hot dogs at lunch.
