

Mars Hill Bible School (MHBS) Request for Quote (RFQ)

2024-NPS-70

Background:

The Mars Hill Bible School (MHBS) is a private Christian day school for boys and girls with principal administrative offices located at 698 Cox Creek Pkwy, Florence, AL 35630. The school begins at Pre-School (including infant care) and continues through Elementary, Middle and High School. While the campus facilities are roughly divided between these traditional academic boundaries there are number of common areas (cafeteria, gym, auditorium, sports fields, etc.) used by all the students, faculty and staff at various times during any day or week. MBHS also participates in a variety of preparatory athletics at all levels, and it is not unusual to have activity on campus after school hours and on weekends.

MBHS leadership is dedicated to protecting our school, students, faculty and staff. While MBHS requires procedures and protocols, professional vigilance/response and security technology to accomplish this goal, this Request for Quote (RFQ) is focused on the physical security aspect. Furthermore, it is reflective of details developed in a security assessment done across the MHBS campus in late 2023. This assessment identified the need for physical solutions across the campus. In particular, physical barriers and exterior lighting for all locations covered by this RFQ. The Mars Hill Bible School Preschool location will be receiving quotes for contracted SRO Personnel.

Funding for security equipment purchase and related renovations/upgrades/modifications, or physical security enhancements to existing structures is tied to Federal Emergency Management (FEMA) Preparedness Grants acquired by MHBS. Submission and approval for the grants was made in cooperation with the Alabama Law Enforcement Agency (ALEA) which administers the program throughout the state. Please note that all funds used for these projects are subject to oversight and audit at both the federal and state level.

- Mars Hill Bible School reserves the right to reject any or all bids if, in its sole discretion, it determines that the prices submitted are unreasonably high or exceed the budget amount for the project.

In the event of any violations of these clauses, the prime contractor, and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.
