

PANTHER BASEBALL CAMP

July 7-9, Grades 2-6

\$85

COACH: Josh Willingham

Mars Hill Baseball Camp will focus on the development of basic offensive and defensive fundamentals. These same fundamentals are practiced at all levels of baseball, including the Major Leagues. We will use these fundamentals and put them to use in game type situations. Drinks and a Camp T-Shirt are included in the camp cost. Camp times are from 6:30-9:00 pm on July 7th & 8th, and from 9:00-11:00 am on July 9th. Contact Coach Willingham at jwillingham@mhbs.org or (256) 710-8990 to register or with any questions.

ADDITIONAL INFORMATION

Due to ongoing construction in the gym, there will be no basketball or volleyball camp this summer. There will also be no softball camp this year. We look forward to the return of these camps in the summer of 2026.

ELEMENTARY ART CAMP

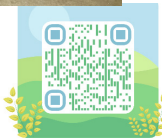

June 2-6, GRADES 2-4 \$180

TEACHER: Jaime Banks

The Elementary Art Camp theme this year is Creators With Courage! Each day's project will be inspired by an artist who turned difficulty into an opportunity to make the world more beautiful and a better place for others. Campers will use painting, stamping, forming and building to create a collection of projects to take home as reminders to live courageously and never give up!

Camp sessions will be from 9am-12pm. Please scan the QR code or email Miss Jaime at jbanks@mhbs.org to fill out a form and save your spot by May 15th. \$60 deposit at registration. Room for 15 campers!

GIRL'S WATERCOLOR CAMP

June 2-6, Grades 5-7 \$180

TEACHER: Jaime Banks

Watercolor Camp for middle-school girls will be an exciting week of art with a focus on embracing imperfection and discovering the importance of spontaneity and play in our lives. In the first two sessions we'll cover the fundamentals of guiding watercolor, while the activities and projects that follow will help campers experience the joy and beauty that can surprise us when we simply let go and trust.

Camp sessions will run from 1-4pm. Please scan the QR code or email Miss Jaime at jbanks@mhbs.org to fill out a form and save your spot by May 15th. \$60 deposit at registration. Space for 18 girls!

STEAM CAMP

June 9-13, Grades 1-4 \$250

TEACHERS: Morgan Snodgrass, Bridget McKinnon, Jamie Banks

Enroll your child in our STEAM camp for a week of hands-on art, science, and robotics activities that blend innovation and creativity.

ART- The art camp will be an energetic mix of learning and fun in the Mars Hill art room. From large-scale painting to making miniatures with clay, you'll discover new ways to use your creativity to brighten the world!

ROBOTICS- Robotics camp is a fun opportunity for students to learn about building and programming robots. The students will learn the steps of The Engineering Design Process and how to apply them. We will use BeeBots, Dash, Lego WeDo 2.0, and Vex robots. We will have daily hands-on challenges that provide opportunities for the students to show how innovative they are.

SCIENCE- Science camp sessions are a weeklong adventure into the world of science. Children can learn about the Scientific Method through hands-on science experiments and STEM challenges.

Please use the QR code to fill out the form to register. \$250 fee includes the camp t-shirt and daily supplies. \$60 deposit required to register. Please send it to Paypal or Venmo. Call or email Morgan Snodgrass with any questions. (256-810-1433 or msnodgrass@mhbs.org)
